

MAGNETIC PORCELAIN WHITEBOARD

WITH ULTRA SLIM FRAME

From Year 2012 ECM Office Supplies AB is presenting a series of dry-eraser magnetic whiteboard produced with Japanese high technology and high quality material. The whiteboards are featured with ultra slim frame made of anodized aluminum, high quality porcelain surface and the "honeycomb" backboard panel that makes the board sturdy and extremely light weight.

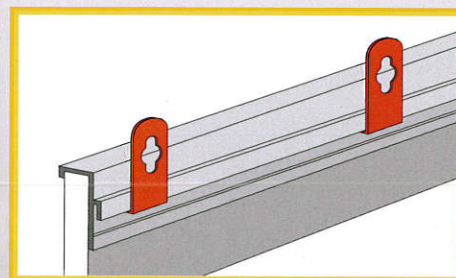

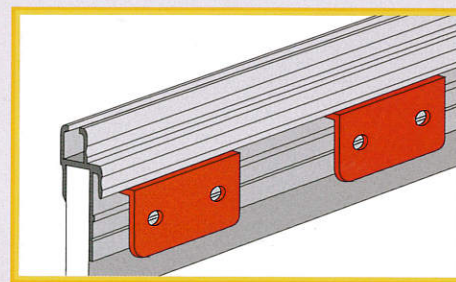

GLASEMALJERAD MAGNETISK WHITEBOARDTAVLA

MED ULTRATUNN RAM

Från 2012 presenterar ECM Office Supplies AB en ny serie av glasemaljeradmagnetisk whiteboardtavla som är tillverkade med Japansk kvalitet och teknologi. Tavlan har en ultratunn ram av anodiserad aluminium och den glasemaljerade ytan importerar direkt från Japan. Tavlans baksida är tillverkad med en "honeycomb" panel som ger både stabilitet kombinerad med låg vikt.

Marker tray and hanging hardware are included. The board can be easily installed either horizontally or vertically. With durable packaging it is safe for long distance transportation. 25 years warranty on porcelain surface.

Enkelt och lätt att montera antingen horisontellt eller vertikalt. Kompletterat med pennhylla och upphängningsanordning. Robusta förpackningar ger ett mycket bra transportskydd. porslinsytan.
